

Railbike Guide Overview

Responsibilities:

- Complete daily bike checks before trip departure and provide knowledge.
- Develop an understanding of customer experience, basic bike maintenance, excursion and environmental safety, and online booking systems.
- Lead groups on railbike tours.
- Assist in the daily operations of the railbikes.
- Manage any road crossings on railbike tours.
- Create a fun, memorable experience for Revolution Rail Co. customers—guides will be asked to deliver safety briefings and history talks (will train).
- Make minor repairs and adjustments to railbikes (will train).
- Other duties as assigned by your supervisor.

Requirements:

- Physical fitness - the ability to lift 50 pounds and pedal a bike.
- Love nature and being outdoors.
- Valid Driver's License (preferred).
- Excellent verbal and written communication skills.
- Ability to speak in front of medium/large groups.
- Work well in a busy and dynamic work environment.
